# Guest or temporary access to UT wifi network

UT offers guest access to the ut-open wireless network while on campus. To access this network as a guest or to temporarily register a personal device on this network:

1. Choose to connect to ut-open from list of available wifi networks on your device.
2. Open a web browser on your device.
3. If you are not automatically re-directed to the UT Knoxville WiFi Portal page (image below), type in http://www.utk.edu and press Enter.
4. At the UT Knoxville WiFi Portal page, click No.
